

City of Carpinteria, California

DEPARTMENT OF PUBLIC WORKS

DUMPSTER ENCROACHMENT PERMIT

Proposed Location: _____

Purpose: _____

Applicant's Name: _____ Applicant's Phone: _____

Applicant's Address: _____

City: _____ Zip _____

EFFECTIVE DATES: From: _____ To: _____

*** At a minimum, applicant must attach 8 1/2" x 11" legible drawings of the proposed dumpster site, including all applicable crosswalks, fire hydrants, cross streets, ect.

CONDITIONS

1. Permittee agrees to hold the City of Carpinteria harmless from any and all claims arising out of the activity allowed under this permit.
2. Permittee agrees to, at his/her own expense, restore to original or better condition any and all damages caused to public or private resulting from the permitted activity.
3. Permittee agrees to place bin immediately adjacent to the curbside in front or as close to the work address as possible. Permittee is limited to an 8 ft. by 20 ft. parking space for storage of material.
4. Permittee agrees to secure all building materials in a safe condition. Mixing or handling of mortar, concrete or other materials on public property shall be done in a manner that will not deface public property or create a nuisance.
5. Material and equipment necessary for work to be done is not to be stored on public property so as to obstruct free and convenient approach to and use of any fire hydrant, fire or police alarm.
6. A walkway of not less than four (4) feet wide shall be maintained in good order on the sidewalk in front of building site at all times and for the entire length of time that work is being done.

- 7. Permittee is to guide, direct, and assure safe passage of pedestrians on the sidewalk at all times.
- 8. Permittee is to park all vehicles away from the dumpster location to allow for parking access by other residents in the area.
- 9. Further requirements, if necessary, shall be administrated by the building inspector in accordance with the UBC 1991, Chapter 44.

I HAVE READ AND AGREE TO THE ABOVE CONDITIONS.
